COMPANY PROFILE

WHO WE ARE

Built to Deliver. Driven by Impact.

DREXONYX is a UAE-based creative agency built on a single conviction — that bold ideas, executed with precision, create real business impact. As the parent brand, DREXONYX sets the creative standard and strategic direction across every engagement.

Master Digital Agency (MDA) is the digital execution arm of DREXONYX — delivering professional websites, visual identities, company profiles, promotional videos, and creative content to businesses across the UAE and beyond.

Whether you are a newly registered business or an established brand — every project is delivered with the same commitment to quality and precision.

01
PREMIUM QUALITY
Every deliverable built for real business use.

02
CLIENT FOCUSED
Adapted to your sector, stage, and goals.

03
FAST DELIVERY
Efficient delivery without sacrificing detail.

OUR COMMITMENT

Full Ownership

You own every file, every asset, and every line of code we produce. Nothing is retained, locked, or held behind a subscription.

No Lock-In

Every project is delivered as a standalone package. No recurring fees, no agency dependency, and no ongoing contract unless you choose one.

Bilingual Always

Arabic and English are treated equally across all deliverables — our clients operate in both languages and deserve the same quality in each.

Professional Website Design

Modern websites built to grow your business

We design and develop custom websites for businesses across the UAE — from clean landing pages to full multi-page sites. Every website is mobile-responsive, fast-loading, and engineered for real business outcomes. Our process covers strategy, design, development, and launch — with full codebase handover so you own every asset, every line of code, and full control from day one.

WHAT'S INCLUDED

- 5–20 page websites built from scratch to brief
- Fully mobile-responsive across all devices
- WhatsApp integration, contact & booking forms
- SEO foundations, sitemap & Google Analytics setup
